The committee also received a \$5000 donation from a client of Sky Flora's. This brought up the discussion to ensure all these donors are added to the recognition at the Ball, we need to be sure to have a list of those that need to be added. Randee Leever will be writing a thank you note for all donations made before the Ball as that is a duty of the Treasurer.

Meeting and Party Schedule: Paula Carroll asked for the committee to please remember to RSVP for all meetings to give adequate time for preparation. No dinner is served at the evening meetings, only a light passable Hors-d'oeuvres.

Please let your guest know if they will be sitting with you so they can also request to be added to your table. You may also request to have tables next to others if you have more than one table.

Dixie Hackstedde reported that Logistics will be located at the back of the room and all of our 'spotters' are secured.

Tiffany Graeber reported on the Clean Up crew. She asked that anything that is needed to be returned to the owner needs to be labeled. They will be coordinating with Decorations on what needs to be kept where it will be stored. Monica Patridge offered the use of a trailer if one is needed.

New Business:

Lara announced an invitation from OHSU for a holiday party on December 4th.

If you resign you need to be sure to have your duties covered through September 1st. Please have all resignations submitted before January.

After the Ball - Party Chairs need to reach out to their buyers and make sure that dates are set as soon as possible.

Lara brought up what is budgeted for Parties, currently it is set at \$500 per paddle party and \$300 for all others. The discussion is if this amount is enough. Should we re-vote on the budgets for parties. The quality of the party must be a Hillcrest Committee standard, regardless of the party sale amount.

The Bar Box is missing. Please double check that you do not have this.

The meeting was adjourned at 6:22pm by Lara David.

Respectfully submitted,

Megan Rea
